# **AYALA THEATRE COMPANY BOOSTERS**

Dear Community Member,

The Ayala High School Theatre Program is actively looking for sponsors and donors for the 2019-2020 school year.

Our students will have 3 main stage play performances beginning with the first play Braham Stoker's Dracula opening October 24, 2019.

Without our fundraising efforts the students cannot produce play performances or attend educational trips. The school district provides no financial or moral support.

Our Theatre Program students learn valuable life skills not learned in other programs and skills they will use the rest of their lives.

Our hard working student have won awards at the annual Fullerton City College Theatre Competitions and some of our students have gone on to work in the entertainment industry. Without any support from administration or the school district.

The Theatre Program students also are in desperate need of a new sound system and lighting board due to the radio frequency. It will cost at least \$5K. This is a large sum of money for our small organization to raise. The equipment is used for the play performances as well as by all the other school groups throughout the year. The school district will not provide one.

By becoming a sponsor you will be providing the financial support desperately needed for the students and your advertisement will be featured in all of our play programs. With your tax deductible donation your advertisement is essentially free and you are helping develop our future leaders.

Please join the Ayala Theatre Company Boosters in supporting our theatre students.

Regards,

Ayala Theatre Company Boosters
