
HELD FOR COURT FOR SERIOUS OFFENSE

**Well Known Junk Dealer Alleged to
Have Shot at One of His
Employees.**

Albert Breakstone who is engaged in the iron business on Scott street was before Alderman Carkhuff Thursday night charged with pointing a pistol and shooting at one of his employes, Robert Ike. Ike appeared as prosecutor and told such a strong story that Breakstone was made furnish \$1,000 bail pending the action taken by the grand jury which considered the case yesterday.

Ike testified that Thursday afternoon while he was working on some old boilers lying in the yards, Breakstone accosted him, and said he was not performing his work properly. Words followed and amid them Ike alleges Breakstone pulled a revolver and shot at him twice.

In his defense, Breakstone admitted firing the shots but said they went into the ground.
