

FALLSWOOD II CONDOMINIUM ASSOCIATION

Special Election Results

A Message to Our Community

Dear Fallswood II Neighbors,

Today marks an important milestone for Fallswood II.

The results of the Special Election have now been officially certified by Voteegrity, and before anything else, we want to express one simple message:

THANK YOU.

Thank you to every homeowner who took the time to become informed, ask questions, attend meetings, submit a proxy, or vote in person. Regardless of how you voted, your participation demonstrated something that strengthens every successful community—you care about Fallswood II.

Honoring Those Who Have Served

We would also like to extend our sincere appreciation to the many volunteers—both past and present—who have served on the Board of Directors, committees, and countless community projects over the years. Serving a condominium community is rarely easy. It requires time, patience, thoughtful decision-making, and personal sacrifice. Every individual who has chosen to serve deserves our gratitude and respect for contributing to the place we all call home.

Looking Forward Our New Board of Directors

As one chapter closes, another begins. The new Board of Directors:

A New Beginning

In the coming weeks, residents will begin to see exciting improvements, including the continued development of our new community website:

www.fwtwo.com

The website will eventually become the central location for community news, meeting information, resident resources, announcements, forms, and future initiatives designed to keep everyone informed and connected.

An Invitation to Every Neighbor

No Board, committee, or individual can accomplish these goals alone. The future of Fallswood II depends on neighbors working together, sharing ideas respectfully, volunteering when they can, and remembering that while we may not always agree, we all share the same home.

Sometimes the smallest gestures—a smile, a friendly hello, lending a helping hand—can make someone's day and strengthen the fabric of our community.

Thank You

Thank you once again for your confidence, your participation, and your commitment to Fallswood II.

With sincere appreciation,

The Fallswood II Board of Directors
