

Monthly Bookkeeping Services

Clean monthly pricing guidance for service-based and growing businesses

Straightforward monthly pricing. Final fees depend on transaction volume, account count, workflow complexity, and reporting needs.

Monthly Fee	Best Fit	Monthly Activity	Typical Scope
\$250 - \$350	Startups / solo owners	Up to ~75 transactions 1-2 financial accounts	Monthly categorization, bank/credit card reconciliations, and standard P&L / balance sheet reporting.
\$400 - \$600	Growing small businesses	~75-150 transactions Up to 4 accounts	Monthly close, cleanup support, basic A/R or A/P activity, and management-ready financial reports.
\$700 - \$1,000	Established operations	~150-300 transactions Multiple platforms/accounts	Deeper reconciliations, accrual entries, class/location tracking, and more hands-on monthly review.
\$1,000+	Complex / custom engagements	300+ transactions Multi-entity or high-complexity	High-volume bookkeeping, integration oversight, catch-up or cleanup layers, and customized close workflows.

What drives pricing

- Transaction count and number of connected accounts
- Business size, platforms, and reporting depth
- Level of cleanup, catch-up, or owner support needed

Common add-ons

- Catch-up or cleanup bookkeeping
- Payroll coordination and sales tax support
- 1099 preparation, invoicing, and bill pay workflows

Custom quotes available for multi-entity, industry-specific, and higher-volume engagements.
