

Understanding Reciprocity

Medical Marijuana
Reciprocity:

A Brief Overview

Reciprocity

Reciprocity means if you have a medical marijuana card in one state, it may also be valid in other states

This also means...

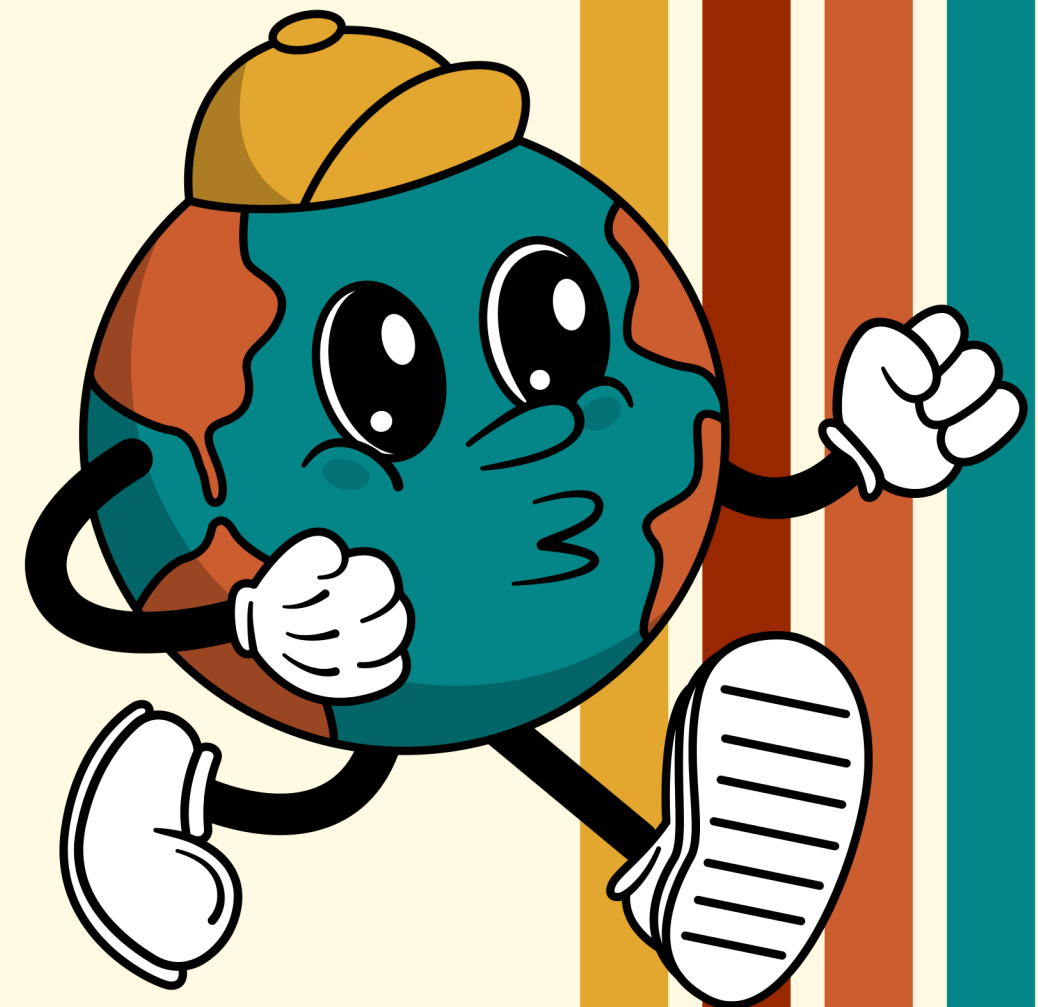

You should check whether or not the state
you are traveling or moving to
will honor your MMJ Card

States that accept PA MMJ Cards

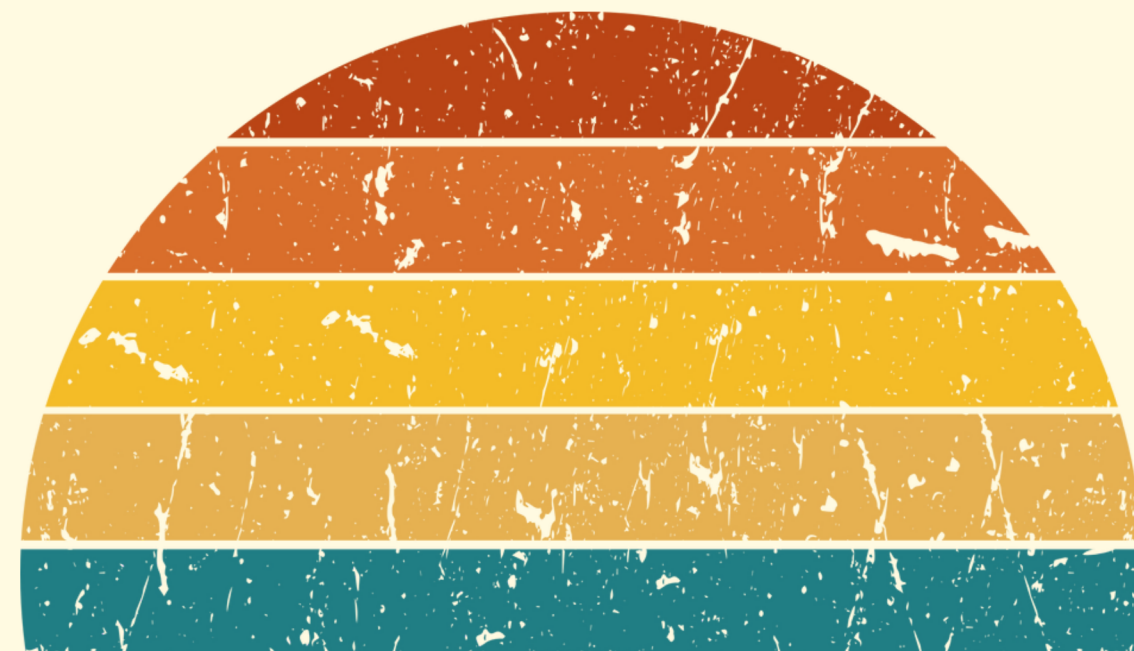

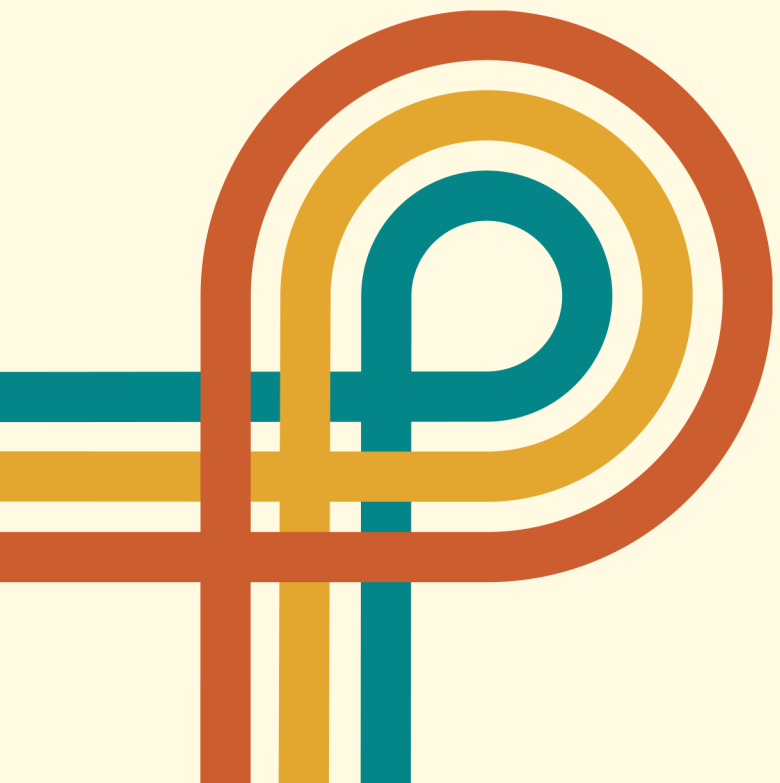

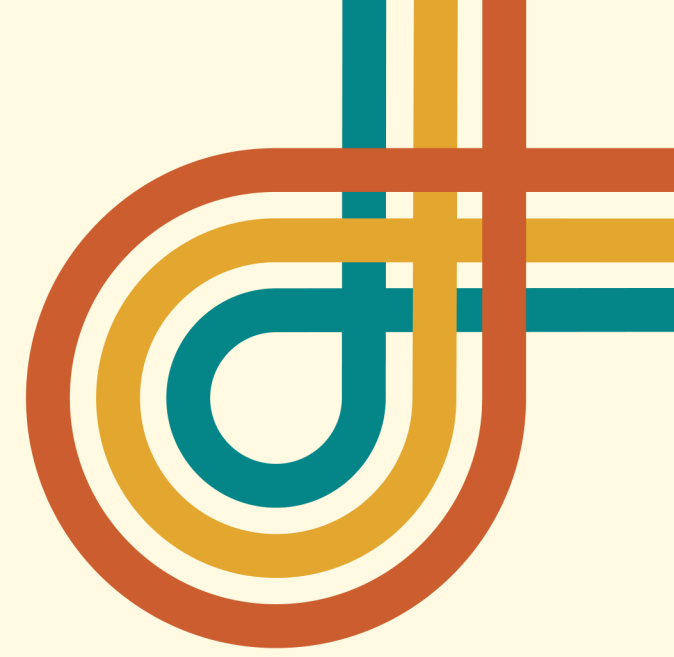

- Arizona*
- Hawaii
- Louisiana
- Nevada
- New Jersey
- New Mexico
- Puerto Rico
- Rhode Island
- Washington DC

*Arizona recognizes patients right to possess but does not allow patients to utilize dispensaries to obtain cannabis when visiting.

Recreational vs Medicinal

You will still be able to obtain medicine
from states that are fully recreational
but do not accept your states MMJ card

MMJ by Jurisdiction

Before traveling, get more information cannabis use in that state!

Even if there are legal recreational and medical cannabis programs, each state has different laws and regulations governing:

- When and where you are allowed to consume MMJ
- What quantities you are legally allowed to have in your possession
