

HEALTH, SAFETY & ENVIRONMENT POLICY

OUR PROMISE

At RAMURA Sdn Bhd, we promise to keep everyone safe and healthy and to look after our planet. We want everyone who works here to make safe choices, both at work and at home.

Our goal is for every single day to be a perfect day where no one gets hurt and our environment is protected. Everyone has a part to play to make this happen.

SAFETY FIRST, ALWAYS

Safety is our number one rule. We think about safety in everything we do, from big plans to everyday jobs. This is how we protect our team, our customers, and the world around us.

FOLLOW THE RULES

We all must follow the safety rules. These rules are here to protect us, and everyone needs to know and understand them, from the boss to every worker.

WORKING TOGETHER

We are a team. We work with our friends, suppliers, and customers to share good ideas and learn from mistakes so we can all be safer together.

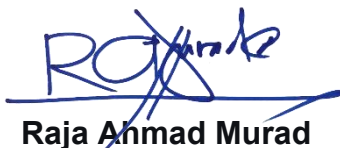

LOOK AFTER OUR PLANET

We work hard to not waste things and to keep our air, water, and land clean. We are always looking for smarter, cleaner ways to do our work.

IF YOU SEE SOMETHING, SAY SOMETHING

If you see something that seems dangerous or unsafe, it is your job to speak up straight away. Don't be scared to stop a job if you think someone could get hurt.

We will make sure we meet these promises by setting clear safety goals and checking our progress, creating a workplace where we all look out for each other.
