The relationship between the Board of Education and the Schuylerville Central School Chapter of the Civil Service Employees' Association and/or employees has been congenial. For example, if an employee is currently working as a custodian with a salary of \$34,000 is promoted to a Groundskeeper, the employee's salary would be \$39,206.

- C. 1. Eligible employees retiring from service shall continue to be covered by the Alternative PPO plan offered by the WSWHE BOCES health insurance consortium and the retiree's insurance shall be paid in full by the employer less the retiree's contribution toward the premium for individual, two person or family coverage. For eligible employees who retire on or after July 1, 2018 and on or before June 29, 2021 the retiree's contribution shall be

Eligible employees will be responsible for the same share of premiums as active employees with a cap of 10%.

- G. Effective July 1, 2012 no spousal Medicare reimbursement for Medicare Part "B" will be provided to retirees. For eligible employees who retire from the district during the 2012-13 school year, the District will reimburse 100% of the Medicare Part "B" cost. Effective June 30, 2016, the District will no longer reimburse any eligible employees who retire for the Medicare Part "B" cost. An employee who retires during the term of this contract with eligibility for Medicare Part "B" coverage reimbursement will receive the Medicare Part "B" coverage reimbursement from the District applicable to their date of retirement at the time they become eligible for Medicare Part "B," regardless of the age of the member at the time of retirement.
- H. The Board agrees to provide term life insurance of \$25,000 face value for each member of the bargaining unit.

When calculating this figure, the first 165 days will be deducted due to the NYS Retirement System provision for Civil Service Employees. Payment will be based on the rest. All provisions for retirement benefits from Article X must be met for eligibility.

There will be a limit of 200 days over the 165 days that are applied to Civil Service Retirement.

2. For those employees who work less than four (4) hours per day, \$50 per day payback for unused accumulated sick days upon retirement from the District under the conditions in Article X (C), (1), (2), (3). When calculating this figure, the first 165 days will be deducted due to the NYS Retirement System provision for Civil Service Employees. Payment will be based on the rest. All provisions for retirement benefits from Article X must be met for eligibility. There will be a limit of 200 days over the 165 days that are applied to Civil Service Retirement.
3. An employee who works multiple jobs in the District will only be able to receive "payback" for sick days for one job. Further, for employees who are involuntarily reduced from a position which involves work of four (4) hours or more per day within two (2) years of their effective date of retirement, such employees will still be entitled to the \$100 per day payback hereinabove. However, employees who voluntarily take a position of less than four (4) hours per day or who are involuntarily reduced from a position of four (4) hours or more per day to a position less than four (4) hours per day and retire more than two (2) years after such involuntary reduction will be only entitled to the \$50 per day payback.
4. In order to be eligible for the payment for unused accumulated sick leave upon retirement, the unit member must notify the District at least thirty (30) days prior to the effective date of his/her retirement.

J. The Board of Education will pay the employer's share of New York State Disability Insurance with the employee contributing \$0.50 per week.

K. Health Insurance Buyout

1. Any eligible member of the bargaining unit may elect to receive a 'cash benefit' instead of the health insurance coverage provided for in this Article. The member must annually elect the cash benefit in writing, which must be submitted to the Superintendent on or before May 15th of each school year for the election to be effective July 1 of the subsequent school year. Bargaining unit members appointed on or after July 1 must make the election no later than thirty (30) days after being appointed. No election of the cash benefit will be valid unless accompanied by proof of health insurance coverage.
2. If up to fourteen (14) members of the bargaining unit opt out of health insurance, the amount of 'cash benefit' to be paid annually by the District to the entitled bargaining unit member who elects the benefit shall be \$2,000 to those unit members otherwise eligible for two-person or family health insurance coverage and \$1,000 to those unit members who opt out of individual health insurance coverage. If fifteen to seventeen (15-17) members of the bargaining unit opt out of health insurance, the amount of 'cash benefit' to be paid annually by the District to the entitled bargaining unit member who elects the benefit shall be \$5,000 to those unit members otherwise eligible family health insurance coverage, \$4,000 to those unit members otherwise eligible for two-person insurance coverage, and \$3,000 to those unit members who opt out of individual health insurance coverage. If eighteen or more (18+) members of the bargaining unit opt out of health insurance, the amount of 'cash benefit' to be paid annually by the District to the entitled bargaining unit member who elects the benefit shall be \$6,000 to those unit members

otherwise eligible family health insurance coverage, \$5,000 to those unit members otherwise eligible for two-person insurance coverage, and \$4,000 to those unit members who opt out of individual health insurance coverage. The cash benefit shall be in addition to the unit member's scheduled salary, shall be part of the annual salary for not more than one school year, and shall be equally distributed over the period of time served that year.

3. Any bargaining unit member who has received a cash benefit payment from the District in lieu of health insurance coverage and who leaves the employment of the District prior to June 30th shall have a pro-rated portion of such cash benefit adjusted in his/her final paycheck.
4. Any bargaining unit member who has elected the cash benefit in accordance with this provision may be reinstated into the District plan during the school year in which (s)he has elected the cash benefit, provided that (s)he makes a written request for coverage under the District health insurance plan to the Superintendent. The resumption of coverage shall be governed by the rules, regulations and procedures of the insurance carrier. Any member who has received a cash benefit payment and who is reinstated under the District health insurance plan prior to June 30th shall have a pro-rated portion of such cash benefit adjusted in the remaining paychecks following reinstatement. The District and the CSEA agree to work cooperatively to try to mitigate any problem that arises from the exercise of this option.

Article XI Absence Regulations

- A. Personal Illness Leave – There will be twelve (12) days personal illness leave per year with unlimited accumulation for employees on a ten month schedule and fourteen (14) days personal illness leave per year with unlimited accumulation for employees on a twelve month schedule. The District may require that an employee provide proper documentation (doctor's note/verification) verifying an illness if it is suspected that the employee has developed a pattern of sick leave misuse or has used an excessive amount of sick leave. Such requirements shall be in writing and shall apply to each future absence if the pattern of sick leave continues. This requirement of furnishing a doctor's verification shall be for a reasonable time and shall not exceed five (5) months.
- B. Personal Business Leave – There shall be five (5) personal business days per year non-cumulative. However, unused personal business days for each year shall be added to accumulated personal illness days.
- C. Authorized Special Leave – Authorized absence without loss of pay or charged to personal business days, may be granted if the absence involves official school business and is approved by the Superintendent.
- D. Sickness in the Immediate Family – An employee may use a maximum of 50% of the employee's accumulated personal illness leave for sickness in the immediate family (immediate family is defined in Section E-1) with a maximum of twenty (20) days in any school year.
- E. Definition of Terms
 1. Sickness in the Immediate Family – Immediate Family is defined for this purpose as spouse and unmarried children living at home and other blood relatives who normally live in the same household and an employee's father or mother, whether the parent lives in the same household or not.

F. Child Rearing Leave

1. Leave of Absence Without Pay – An employee may apply in writing to the Superintendent and request a leave of absence without pay. Such leave may be for a period up to a maximum of two years. Any application for leave under this section must be filed thirty days prior to the effective date of said leave and contain the anticipated date of return in terms of the beginning of a first or second semester. At the discretion of the Superintendent, the employee may return at a time other than the beginning of a semester.
2. In the event that the employee is unable to return to duty on the anticipated date, the employee must notify the Superintendent in writing and suggest an alternate date at the beginning of a semester. If an employee fails to notify the Superintendent as stated above or provide said notice and fails to return to duty within thirty working days after the last effective date of the leave, the employee shall be deemed to have resigned and the obligation of the District to provide a position to the employee will have ceased.
3. Upon the employee's return, that employee shall be placed in the same or similar position in the area for which the employee is qualified. No benefits of seniority in terms of salary leave or other benefit shall accrue to the employee as a result of or during such leave.
4. Except to the extent provided for under FMLA, during any such leave, health insurance benefits may be maintained by the employee upon payment in full semiannually in advance to the District, of the premium of said insurance. In the event of pregnancy during a leave, the above provisions shall apply.

G. One Year Sick Leave – The Board agrees to grant an approved leave of absence for personal illness (with a doctor's excuse) for one school year, without pay and without loss of accrued seniority to any member of the non-instructional personnel after five years of service. If an employee is able to return to full employment and a vacancy occurs, he/she may be offered opportunity to return to full employment prior to the end of his/her leave.

H. Personal Business Day Policies

1. Personal Business Days should not be requested for matters which can be scheduled outside of regular working hours. No reason for personal business leave need be indicated by the employee.
2. Personal Business Days should not be requested on a day prior to or the day following a 'vacation'.
3. Absence requests immediately before or after a vacation period or long weekend must be approved in advance in writing by the Superintendent if the reason is acceptable.
4. Personal Business Leave will be granted only with approval of the immediate supervisor. Application shall be made at least two (2) work days in advance of the day in question except in cases of emergency as determined by the Superintendent or his designee.
5. Personal Business Days may be used for religious observance.

6. No more than two (2) personal business days may be taken consecutively unless approved by the Superintendent.
 7. When an employee is required to attend a management imposed hearing, this absence will not be charged to the employee's personal leave.
- I. Leave of Absence Without Pay – Leave of absence without pay will be granted only in cases of demonstrated hardship. Application for a leave of absence without pay will be made to the Superintendent who may make a recommendation to the Board of Education for their approval or disapproval.
 - J. Jury Duty – Employees who cannot be excused and thereby required to serve on jury duty will receive their regular salary during such service less any payments made to them for such service. Such time shall not be deducted from the employee's leave time.
 - K. Bereavement Leave – Up to five days non-cumulative without loss of pay annually for absence due to each death in the immediate family. 'Immediate Family' hereunder is defined as employee's spouse, parents of employee or employee's spouse and children. Up to three (3) non-cumulative (from the date of death) without loss of pay annually for each absence due to the employee's brother, sister, brother/sister-in-law, grandchildren, and grandchildren of employee or spouse, grandparents of employee or spouse. Up to two (2) days non-cumulative without the loss of pay annually for each absence due to death in the following instances: Aunt, Uncle, niece or nephew. One (1) day may be reserved for later date services or burial with supervisor approval.
 - L. Association Days – Upon prior notice of forty-eight (48) hours to the Superintendent of Schools, up to three (3) days per year for the president or authorized designee may be used for Association Business. Such days are non-cumulative.
 - M. Sick Bank – The purpose of the Sick Bank is to help minimize the impact on an employee when they are injured or ill. It is not intended that the Sick Bank supplant the disability program for the employees. It is also not the intent of the Sick Bank to supplant disability retirement. Therefore, the guidelines for the Sick Bank are as follows:

If it is anticipated that an employee will be out on sick leave for an extended period of time due to illness and has sick days, the employee should immediately file for disability. In doing so, if the employee runs out of sick time, the employee will not have to wait the usual seven (7) day waiting period for disability payments to begin.

If it is anticipated that an employee will be out on sick leave for an extended period of time due to illness and has no sick time, other CSEA employees or the District will donate enough sick days to cover the employee's salary until disability payments begin (usually 7 days).

The District and CSEA recognize that in some circumstances use of a sick bank is necessary, i.e. if an employee is ill or injured for more than the 26 weeks allowed by disability. In such instances, the Superintendent of Schools and CSEA President will work together to resolve the situation.
 - N. Sick Leave and Personal Leave Incentive – 10 month part time and 12 month full time employees will have the following amount of days added to their retirement sick day payback at retirement, which is outlined in Article X Section H, if they are absent for two or fewer days (for 10 month part time) or three or fewer days (for 12 month full time) during a given school year. These days are only to be added to the employee's

total days for the retirement payback, and cannot be used as a normal “sick day.” If an employee holds multiple positions within the District, these additional days shall count toward the position for which the employee works more hours. If, as a result of this incentive, an employee earns additional sick leave that exceeds the limit of 200 days over the 165 days that are applied to Civil Service Retirement (as outlined in Article X Section H), he or she shall be entitled to payment for those additional days.

	<u>10 Month Part Time</u>	<u>12 Month Full Time</u>
0 Days Absent*	10 Days	10 Days
1 Day Absent*	9 Days	9 Days
2 Days Absent*	8 Days	8 Days
3 Days Absent*	N/A	7 Days

*Days shall mean sick and personal days, loss of pay equivalent to one day, and unpaid leave equivalent to one day. Loss of pay or an unpaid leave shall count as an absence as it relates to the calculation of the “Sick Leave and Personal Leave Incentive.”

**Article XII
Retirement Contribution**

The Board agrees to maintain the NYS Retirement Plan 75G with Option 41J for all eligible employees in accordance with the systems rules and regulations.

**Article XIII

- A. Vacation time will be accrued and credited on a monthly prorated basis beginning July 1 of each year. Employees will not be entitled to use accrued vacation time until July of the following year unless approved by the Superintendent.
- B. All non-teaching personnel who are on a twelve month schedule will receive ten (10) days vacation per year until they have completed six years service by June 30 the preceding year after which they will receive fifteen (15) days vacation per year until they have completed eleven years service by June 30 after which they will receive twenty (20) days vacation per year.
- C. Twelve month employees who have completed five years of service by June 30 of the preceding year or ten years service by June 30 of the preceding year, will receive additional vacation days for the following year only according to the following schedule:
 - 1. Four (4) days if the employee’s anniversary of hiring is ninety (90) days after June 30.
 - 2. Three (3) days if the employee’s anniversary of hiring is one hundred eighty (180) days after June 30.
 - 3. Two (2) days if the employee’s anniversary of hiring is two hundred seventy (270) days after June 30.

4. One (1) day if the employee's anniversary of hiring is less than one year after June 30.
- D. With the prior approval of the Superintendent of his/her designee, an employee may take vacation at any time during the school year. The employee's request for vacation dates must be submitted to the Superintendent at least 2 weeks prior to the vacation dates. The Superintendent or his/her designee may waive the requirement of the two week notification. In any event, there shall be a regular building custodian on duty each working day.
 - E. Effective July 1, 2017, upon separation from the District, the employee shall be paid for any unused vacation days, to a maximum of thirty (30) days, at his or her current rate of pay.

**Article XIV
Paid Vacation Holidays**

School will be closed for custodial, office and garage personnel on the following days:

Independence Day
Labor Day
Columbus Day
Veterans' Day
Thanksgiving Day & Day After Thanksgiving
Christmas Day
Day After Christmas
New Year's Day
Martin Luther King Day
President's Holiday
Good Friday
Memorial Day

If a paid holiday falls on a Saturday or Sunday, a day when school is in session or during a twelve month employee's scheduled vacation, then employees may have another day off when school is not in session as agreed upon between employee and supervisor.

**Article XV
General Conditions Affecting All Employees**

- A. Overtime pay beyond forty (40) hours per week will be paid as time and one half the hourly rate. For purposes of calculating overtime pay, vacation and holiday time will be considered time worked toward the forty (40) hour threshold. However, all other absences, scheduled or unscheduled, will not count as time worked for purposes of the forty (40) hour threshold.
- B. All regular employees shall have preference by seniority on any job openings in their classification after the employee has completed the probationary period in the present assignment. This provision does not apply to mid-year openings in teacher aide positions.
- C. 1. 'District Seniority' shall be that seniority accrued by an employee commencing with the employee's date of hire by the District. In the event that several employees share the same appointment date, seniority shall be determined by the order that their names are recorded in the School Board minutes (the names may be recorded in order of qualifications, not necessarily in alphabetical order.)

2. 'Classification Seniority' shall be that seniority accrued by an employee commencing with that employee's date of appointment to that classification. In the event that several employees share the same appointment date, seniority shall be determined by the order that their names are recorded in the School Board minutes (the names may be recorded in order of qualifications, not necessarily in alphabetical order.) Classification for Aides and monitors shall be further broken down into their specific duties (educational aide, library aide, computer aide, transportation aide, study hall aide, clerical aide, health aide, cafeteria monitor, hall monitor and bus/parking lot monitor, etc.)
3. Seniority shall be accrued without regard to the number of hours per day that an employee works.
4. Employees shall accrue a full year's seniority so long as the employee works for the District at least eight months in that fiscal year (July 1 to June 30).
5. Employees whose positions have been abolished shall be permitted to bump the least senior employee within their classification. If the affected employee is the least senior employee within their classification, then the employee shall be permitted to bump into a previous classification that they have worked in. District seniority will be used for bumping into previously worked in classifications. Previously accrued seniority within any of that employee's classification area (s) will continue to be maintained. As a result of a voluntary transfer, an employee cannot bump into a previous classification area where there is no vacancy and the job is already being held by an employee with less seniority.
6. Employees in a classification may bump based upon seniority within and between groups of employees within that classification based upon the number of hours worked per day (i.e. a six hour Educational Aide whose position is being eliminated would be permitted to bump the least senior six hour Educational Aide, the least senior six hour Educational Aide would then be permitted to bump the least senior Educational Aide in the group of Educational Aides with the next lowest number of hours per day (i.e. five hours), so long as he/she has more seniority than the least senior employee in that next lowest group. Refusal of recall to a vacancy with the same number for more hours will result in removal from the recall list.

11. Employees will be notified of recall by registered mail and must reply within ten days.

Grievance Procedure**

- 1. Purpose
It is the policy of the Board and the Association that all grievances be resolved informally or at the earliest possible state of this grievance procedure. Informal settlement at any stage shall bind the immediate parties to the settlement, but shall not be precedents in a later grievance proceeding.

Upon the successful completion of an initial probationary period, any bargaining unit member who is disciplined or discharged shall be entitled to grieve such action by the District under the grievance procedure provided herein. The choice by the employee to use

the grievance procedure shall constitute a waiver of any other remedy available to said employee.

2. Definitions

- A. A 'grievance' is any alleged violation of this agreement or any dispute with respect to its meaning or application.
- B. An 'employee' is any person in the unit covered by this agreement.

3. Submission of Grievances

- A. Before submission of a written grievance, the employee must attempt to resolve it informally.
- B. Each grievance shall be submitted in writing on a form approved by the Board and the Association and shall identify the employee(s), the provision of this agreement involved in the grievance and the time and place where the alleged events or conditions constituting the grievance existed, and, if known, the identity of the person responsible for causing such events or conditions and a general statement of the grievance and redress sought.
- C. A grievance shall be deemed waived unless it is submitted within thirty calendar days after the employee knew or should have known of the events or conditions on which it is based.

4. Grievance Procedure

- A. Stage 1 – The immediate supervisor shall respond in writing to each grievance received. If an employee is not satisfied with the response or no response is received within seven work days after the submission of a grievance, such employee(s) may submit a copy of the grievance to the Chief School Officer within seven work days thereafter.
- B. Stage 2 – The Chief School Officer or their designated representative shall, upon request, confer with the employee(s) and the Association representatives with respect to the grievance and shall deliver a written statement of their position with respect to it no later than ten work days after it is received.

A copy of such request shall be forwarded to the Superintendent.

Upon receipt of the names of the proposed arbitrators, the District and the CSEA shall individually select names from the list until one ultimately is designated as the arbitrator.

The arbitrator's decision will be in writing and will set forth his findings, reasonings and conclusions on the issues submitted. The arbitrator will be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this agreement. The arbitrator shall have no power to alter, add or detract from the provisions of the agreement.

The cost for the services of the arbitrator will be borne equally by the District and the CSEA.

The election to submit a grievance to arbitration shall automatically be a waiver of all remedies or forums which otherwise might be available in resolving disputes covered under this agreement.
