(Yes or No)

If the Overland Insurance coverage was available, did the applicant(s) purchase the coverage? \_\_\_\_\_  
(Yes or No)

Additional Comments: \_\_\_\_\_

PDAP is meant to provide financial assistance to eligible Saskatchewan homeowners that face natural disaster events where insurance is not currently available (i.e. readily available at a reasonable cost). It is not a substitute for private flood insurance.

However, as private home flood insurance is a new product within the Saskatchewan market some homeowners may still qualify for PDAP in exceptional cases. Information provided on this form will be used to determine individual claim eligibility.
