

# PLUMBING SERVICE PROGRAM

Avoid emergencies, unpleasant odors, and costly repairs with our preventive drain maintenance service program, designed to keep your plumbing system operating efficiently year-round

We offer preventive maintenance twice per year, primarily focused on cleaning and inspecting the most critical drainage points in your home.

## WHAT DOES INCLUDE

### Drain Cleaning for:

- ✓ Bathroom sinks
- ✓ Showers and Bathtubs
- ✓ Kitchen Sinks
- ✓ Main house drain outlet
- ✓ General plumbing inspection
- ✓ Visual inspection of exposed piping
- ✓ Early detection of potential clogs
- ✓ Identification of leaks or pipe wear
- ✓ Preventive recommendations to avoid future issues

## BENEFITS

- ✓ Helps prevent clogs and water backups
- ✓ Reduces unpleasant odors in kitchens and bathrooms
- ✓ Minimizes the risk of emergency repairs
- ✓ Long-term cost savings
