

The Onboarding Advantage

Elevate your Organization

Are you ready to unlock the full potential of your leaders and propel your organization to new heights?

Are you seeing little to no return on your onboarding practices?

Look no further than The Onboarding Advantage, The Leadership Haven's comprehensive onboarding program designed to empower leaders and drive organizational success.

Our Master Training Package for The Onboarding Advantage consists of three sessions, each lasting three hours.

Session 1: Building Foundational Leadership Skills

Session 2: Effective Communication Strategies for Leadership Success

Session 3: Leading with Emotional Intelligence

“Unlocking Your Potential, Unleashing Your Success

At The Leadership Haven, we are dedicated to helping organizations like yours unlock their true potential through transformative training experiences. Our comprehensive trainings are designed to empower your staff and leaders by equipping them with the essential skills, knowledge, and mindsets required to excel in leadership, organizational development, diversity, equity, and inclusion (DEI), and board development.

PROVIDING TRANSFORMATIONAL LEADERSHIP SOLUTIONS

2023 - 2024 Training Brochure

Training Customization

We understand that every organization is unique, and we are committed to tailoring our training proposal to align with your specific goals, challenges, and industry requirements. Our team will collaborate closely with you to customize the content, examples, and case studies, ensuring that the training addresses your organization's specific context and objectives.

Corporate / Team Building / Governing Boards / Leadership Retreats

Our Retreat Services are tailored to the individual needs of your organization and formatted for half-day (up to 4-hours) to full-day (up to 8-hours) activities, where the objectives are to grow trust, have fun, build team camaraderie, increase team understanding and awareness, and build capacity around organizational mission and purpose.

Training Tracks

- Soft Skills Leadership Track
- Soft Skills Communication Track
- Team-Building Track
- Business/Organizational Development Track
- Board Development Track

Board Development

Elevate the effectiveness of your board and enhance its impact on your organization's success. Our board development services provide guidance and training to strengthen governance practices, optimize board composition, and improve board dynamics. By aligning your board's strategic focus with organizational goals, we help you create a high-performing board that drives decision-making, accountability, and long-term sustainability.
