

The Franklin High School All Night Party committee is **seeking volunteers** to support the Class of 2022 All Night Party celebration! All Night Party (ANP) has been a Franklin tradition for many years, providing a **fun, safe, and memorable event** for the FHS graduates to celebrate their achievements as classmates one last time.

After a two-year hiatus due to the pandemic, ANP is back and we are incredibly excited to continue this wonderful tradition for the Class of 2022 and beyond! The event is held at Horace Mann Middle School, and begins in the late evening after FHS graduation festivities, continuing throughout the night until 5:00 am. During ANP, the students are treated to shows, games, raffles, entertainment, food, music, and so much more!

UPDATE: We have had an amazing response to raffle prize donations. So much so, that we are **NO LONGER SEEKING PRIZE DONATIONS**.* We are very appreciative of those we have already received! Thank you!

What we DO need is volunteers! This event cannot occur without parents/community members stepping up to help out! We have had a strong volunteer response from our senior parents, and have sold lots of tickets, however, senior parents have limited availability on the evening of graduation. Traditionally, underclassmen parents have helped significantly, knowing that in the following years, their children will reap the benefits of this amazing event and also get to enjoy ANP!

[FIND THE VOLUNTEER FORM HERE!](#)

FYI our Registration (10:30pm - 12:30am) time slot is full. If you are a **non-senior parent** who signed up to volunteer for this time slot, **we kindly ask you to choose another option!** ANP is in need of volunteers specifically for the following time slots:

12:30 am - 2:30 am (games, running casino tables, entertainment, snacks, general supervision)

2:30 am - 5:00 am (DJ/club portion, general supervision, and student dismissal)

So please grab a friend or two and sign up to volunteer! You can request to be paired up with your friend to volunteer together. It is truly a great event and once you get involved, you will understand why we are working so hard to bring this tradition back!

Thank you for your support!
The All Night Party Committee

*If you already spoke to an ANP committee member regarding a raffle/prize, your donation is welcome! We no longer need NEW donations.
