

The Franklin High School All Night Party committee is seeking donations to help us fund the Class of 2023 All Night Party celebration! All Night Party (ANP) has been a Franklin tradition for many years, **providing a fun, safe, and memorable event for the FHS graduates** to celebrate their achievements as classmates one last time.

After a two-year hiatus due to the pandemic, ANP returned last year and we are incredibly excited to continue this wonderful tradition for the Class of 2023 and beyond! The event is held at Horace Mann Middle School, and begins in the late evening after FHS graduation festivities, continuing throughout the night until 5:00 am. During ANP, the students are treated to shows, games, raffles, entertainment, food, music, and so much more!

The All Night Party Committee is requesting donations to help us offset the costs of this special event and plan an amazing final send-off to the graduating class! Due to the nature of this event, our needs are quite specific. Please see the list below:

- **Financial donations.** The cost to host an all-night event for 350+ students is significant. Donations are used to purchase necessary supplies and pay vendors. Any amount is greatly appreciated and will go directly to funding the ANP.
- **Food donations.** Food, snacks, and drinks are supplied throughout the evening. We are looking for local restaurants and grocery establishments to consider donating grab-n-go type options such as pizzas, snacks, small sandwiches, water bottles, drinks, etc...
- **Raffle Prize donations. We already have all the needed prizes and raffle items! Thank you!**

Donations can also be mailed to:

(Make checks payable to "All Night Party")

All Night Party
PO Box 15
Franklin, MA 02038
