Rewrite Job 1:1 ... substitute your name ... what would be the description - **Job 1:1**

1. Job \_\_\_\_\_ God - **Job 1:5**

2. \_\_\_\_\_ would God do this? - **Job 1:6-12**

3. \_\_\_\_\_ of Godly Grief - **Job 1:20-22**

- Showed normal and \_\_\_\_\_ grief
- Showed \_\_\_\_\_ acknowledgement and SUBMISSION to God's will
- Does not blame \_\_\_\_\_. "blames" God
- Recognizes that he is \_\_\_\_\_ and God is all
- Recognizes that God is to be \_\_\_\_\_ and loved in ALL situations
- HOW DID HE DO THIS?

4. \_\_\_\_\_ does it again. What do you think about this situation? - **Job 2:1-6**

5. WHAT DO WE DO with Job's \_\_\_\_\_? - **Job 2:9-10**

*I am willing to give her credit for being in \_\_\_\_\_. Loss of all kids and resources. Husband suffering. She does not necessarily have to be viewed as a bitter and hateful witch*

HOWEVER:

- She is \_\_\_\_\_ to the very temptation Satan is putting out there. "they will curse you if I do this"
- She is now an instrument of Satan to \_\_\_\_\_ her husband to also do the same
- She is not simply tempting her husband to "despair" ... she is tempting her husband to have \_\_\_\_\_ toward God
- Her words reflect **human \_\_\_\_\_ to trust God's purposes when suffering is intense and unexplained**
- Her words reflect a \_\_\_\_\_ to despair. HOW LONG can I endure deep suffering
- CORE ISSUE: when do I \_\_\_\_\_ God? When does my trust run out?

**JOB's RESPONSE:**

- Use of foolish is not likely to be a reference to intelligence. "the fool says in his heart there is no God" You are speaking like a \_\_\_\_\_ person
- Challenge to her: when is God \_\_\_\_\_ and unjust? When does God \_\_\_\_\_ me?
- I will not "blame" God. It is FROM God, but He is RIGHT and \_\_\_\_\_... worship
