

CROSS TIES APOSTOLIC CHURCH

SEPTEMBER NEWSLETTER

PASTOR'S CORNER: As our children return to school, I pray that Jesus will be at work in not only our hearts but our children's hearts. While there is often excitement brought about by a new year and a new grade, frequently our children experience fear and anxiety when thinking of the unknown. Let us pray that Jesus gives our children comfort, wisdom and knowledge to help them make compassionate sensible decisions that will please God. Help them Lord to have a hunger for you and a thirst for your Word rather than a worldly lust for success and the pleasures of sin. Lord, keep our children in your hand and in your protection. Take away their fear, Lord, and replace it with your love. Lead their footsteps, Lord, and let their path always return to you. **PRAISE JESUS ALL SCHOOL YEAR!**

2 Timothy 3;14-15 KJV, “But continue thou in the things which thou hast learned and hast been assured of, knowing of whom thou hast learned them;”
