WHAT SETS US APART

With over two decades of experience, we have built a strong reputation, working with reputable companies and individuals alike. From everyday repairs to handling diamonds valued anywhere from \$20 to \$20 million, we bring the same level of expertise and attention to detail to every piece. Clients choose us for our professionalism, transparency, and dedication to excellence in every aspect of our work.

Located in New York's prestigious Diamond District, Daniel's Jewelry Repair and Service is known for integrity, precision, and exceptional craftsmanship. In an industry where trust is essential, we stand out by guaranteeing that the precious stones you entrust to us are handled with care and returned exactly as received your trust is our highest priority.
