

Agape Adoptions

ANNUAL REPORT 2017

*Agape Adoptions provides **Professional Adoption Services** marked by **Personalized Care** and **Passionate Advocacy**.*

A note from the Director...

Dear Friends,

*The landscape of Domestic and International Adoption is always evolving and often shifting and 2017 was no different. We navigated a variety of challenges from changing regulations in China, to establishing new partners in Uganda, and responding to new government policies for agencies here in the U.S. But, **our resolve is strong and our mission is clear.** And together, we're helping orphaned children become sons and daughters.*

*We're grateful for all of you who stand with us in the cause of placing children in loving, permanent families. One of the best ways that you can make a difference in the lives of waiting children is to refer families to us. We believe in what we do, and we believe that we do it well. So this year **we've set a big goal for our small agency, because we want to accomplish BIG things for children and families.** We are seeking to significantly increase the number of families that we serve, and therefore the number of children who are no longer orphaned and unparented. Will you come alongside us by actively sharing our newsletters, social media posts, and using general word of mouth to refer prospective adoptive parents to Agape? We are honored by your referral and we commit to providing each family with the service, care and advocacy they deserve in their adoption journey.*

What follows is a snapshot of the year gone by – a celebration of the impact made by families who said “yes!” to a waiting child, our hardworking staff, and our generous donors and sponsors. Thank you for your partnership!

– Myriam Avery, Executive Director

**Every child deserves the unconditional love of a family.
That's why we do what we do.**

In 2017, we placed 23 children from four different countries!

- Growth of the “Your Adoption Finance Coach” program providing our families with **resources to overcome the financial challenges** of adoption.
- Our staff attended the Refresh conference in Seattle, the Spokane Orphan Summit, and the National Council for Adoption’s Annual conference to **extend our training and skills**, connect with other adoption and orphan care professionals, and build the visibility of our agency.
- Visited partners and orphanages in Uganda, Bulgaria and Romania. These were good and productive trips that allowed us to **strengthen our relationships with our partners** and better advocate for more children.
- Relocated our offices to a central location which gives us better operational efficiencies. Stop by and visit us anytime - we’d love to see you!
- An **amazing show of support and great success from** our Value Village FUNDrive and first annual online auction!
- **We concluded the year on a high note** as we welcomed our China Representative, Richard, to the Pacific Northwest at a special luncheon. This event brought together alumni families and staff and was a wonderful celebration of Richard’s impact and the growth of children in our families.

One of the best decisions we ever made in our life was to utilize the expertise of the team at Agape Adoptions to help us bring home our beautiful daughter. From first inquiry to arriving home with our daughter, Myriam and her team were knowledgeable, supportive, and responsive. There is not a doubt in my mind that their passion is bringing children home to families in an ethical and efficient manner. I will be forever grateful for Agape's hard work in bringing my daughter - and many other sons and daughters - home to loving families.

With Gratitude

*On behalf of the Board of Directors, the Staff of Agape Adoptions, and the families and children that we serve, I extend my gratitude for your financial gifts of support to this vital work. The orphan crisis can feel overwhelming, but we believe that **everyone can do something**. In 2017, we saw a community of people DO something – through monetary gifts, donations of items for the online auction and Value Village FUNDrive, donations of supplies and clothing for children in orphanages, volunteering time and energies, and a myriad of other ways. Together, we enable Agape, a small organization, to do BIG things - to change the lives of children forever! As an adoptive mother, I have lived first hand the amazing experience of having each of my girls placed in my arms and then watching them grow and bloom and discover the world. Adoption is incredible! Thank you for standing with us and making such an important difference.*

Thank you again for helping us complete our family. We knew that we were getting into something that was going to be difficult. You were patient, encouraging, and genuinely kind. You were prompt in getting news to us and answered the multitude of questions that we posed. If we had to do it all over again we absolutely would and we wouldn't want anyone else leading us through the process.
