FAVORITE PASTIMES: I don't know what a pastime is anymore. My boys are grown and out of the house this year. It will be a new adventure once I figure it all out, but at the moment, Kids' Campus takes up a lot of my time. My husband and I have started cooking dinner together and that is super fun!!

A FAVORITE THING ABOUT YOUR JOB: I love learning. Every day is a learning experience. I still get to act like a kid and that's important to me!
