## IMPORTANT: NEW TERMS

We would like to point out to you a new term and condition associated with our packages.

As you may notice we have duplicate classes for some age groups on different days of the week.

Please note if your child would like to take the same class on 2 different days, you must pay for the second class in full. It will not be a part of your package.

To assist you please note that classes that share a matching coloured (\*) represent classes where you can only take one or the other in a package.
