North Shore Village Theatre

2021-2022

Season

As the only theatrical company on the North Shore of Long Island, the North Shore Village Theatre (NSVT) aims to build community through the expressive powers of music, theatre and dance utilizing the large pool of talented artists in our local communities. Our goal is to create groundbreaking theatre experiences to educate, entertain and enrich our audiences. We commit to diversity of gender, color, age, sexual identity in all that we do and we welcome all to participate in our mission.

Artistic Director *Christopher Moll* created the North Shore Village Theatre in 2018 after running Jazz Hands Children's Theatre for three years. Christopher saw a need for more theater experiences for all ages.

With the support of our sponsors, we are excited to present our 2021-2022 season, which includes "Christopher Moll Live in Concert", "Six Dance Lessons in Six Weeks", "The Holiday Variety Show", "Il Postino" and "Cabaret." Your support as a new sponsor will play a vital role in allowing us to bring diverse cultural performances to our community.

We are excited to introduce a new Sponsorship Program this year which has many different levels of support and great rewards for you and your company including free and discounted tickets, invitations to special events and acknowledgements in our programs, on social media and on our website.

A new addition to the Sponsorship Program is the “Specific Element Sponsorship,” which allows you to choose which part of the show you want to sponsor such as lights, sound, sets, costumes or the band. These types of sponsorships are limited and exclusive. The details of the Sponsorship Program are on the following page for your consideration.

Thank you for your interest and support. If you have any questions or would like to move forward with a sponsorship, please contact Christopher Moll at (310) 490-4102 or visit nsvillagetheatre.com.
