ESSENTIALS  
RED  
PRIME

We named our colour coordinated garment assortment Essentials because you do not need to look elsewhere. In the Essentials concept every garment is available in various colours and most of them in both mens and ladies styles. The offered sizes go up to 5XL in the mens style.

As an add-on we also offer buttons and zip pullers in matching colours, further widening the options available.

Printer Essentials. Look no further.

We're here for the long run. We are proud to present our two-color collection: Printer Prime.

During the development of Printer Prime, the top priority was to develop a more sustainable collection with focus on reduced negative environmental impact. All products are made of organic cotton and/or recycled polyester from post-consumer PET bottles.

Printer Prime consists of modern garments that can be worn in almost all industries. The materials are chosen to withstand hard grips and last a long time.

Lovely colors, carefully chosen materials, well-designed with a focus on "value for money." A wide range of sizes. That's Printer Red.

## SYMBOLS

 <b>CERTIFIED ORGANIC COTTON</b>	 <b>CERTIFIED RECYCLED POLYESTER</b>
 <b>TRANSFERRING TO ORGANIC MATERIALS</b> <small>In transition to organic cotton; full transfer pending.</small>	 <b>TRANSFERRING TO RECYCLED MATERIALS</b> <small>In transition to recycled materials; full transfer pending.</small>
 <b>WP 3 000</b>	 <b>MVP 3 000</b>
<b>WATER PROOFNESS</b> <small>A measure of how resistant a jacket is to water penetration, typically expressed in millimeters (e.g., 3,000 mm), indicating how much water pressure it can withstand before leaking.</small>	<b>MOISTURE VAPOR PERMEABILITY</b> <small>The ability of a jacket to let moisture (like sweat) escape, often measured in grams per square meter per 24 hours (e.g., 3,000 g/m<sup>2</sup>/24h), reflecting its breathability.</small>

 <b>WIDE SIZE RANGE</b>	 <b>OEKO-TEX CERTIFIED</b> <small>OEKO-TEX Standard 100 certifies textiles as free from harmful substances, ensuring safety for skin and health.</small>
 <b>WIDE SIZE RANGE</b>	 <b>LCA (LIFE CYCLE ASSESSMENT)</b>

 <b>TUMBLE DRYING</b>	 <b>INDUSTRIAL WASHING</b>
 <b>WASHING CHIP POCKET</b>	 <b>WASHABLE 60°C</b>

		<p><b>PREFERRED MATERIALS</b></p> <p>We are excited to share that items marked with the above symbols has now been transferred to more preferred materials. However, during a transitional period, some deliveries may still contain items made from non-recycled or non-organic materials. In line with our commitment to reducing waste, we have chosen not to discard the remaining stock of previously produced items. Using these materials responsibly aligns with our sustainability goals, ensuring that we minimize our environmental footprint throughout this process.</p>

SUSTAINABLE BI-COLOR COLLECTION

# PRINTER PRIME

We believe in quality. It is still the best way to ensure sustainable products for everyone. That's why we proudly present our bicolor collection: Printer Prime.

## QUALITY

From the best fabrics in high grammages to meticulous craftsmanship, the Prime collection has been carefully designed to ensure true quality. Moreover, this collection is circularly designed to significantly reduce its impact on the environment.

## FOR EVERYONE

We deliberately designed our line to have a modern appeal, making it suitable for almost every industry. A collection for everyone truly means a collection for everyone. Unlike many others, our clothing is washable at 60°C. This allows the laundry not only to be stain-free but also completely hygienically cleaned. Additionally, our Prime collection can be tumble-dried at a low temperature (max. 60°C) and has been tested for industrial washing according to EN ISO 15797. Our collection truly fits everyone: from XS to 2XL for women and from S to 5XL for men.

6053 NAVY/COBALT 9030 BLACK/ORANGE 9093 BLACK/ANTHRACITE

9040 BLACK/RED

**PRIME T** 2264030 ♂ S-5XL  
**PRIME T WOMAN** 2264031 ♀ XS-XXL

Modern fit, bicolour T-shirt. Elastane in neck rib. Neck rib with four layers for better stability. Tear-out neck label and separate woven size label. In the inner left side seam a pocket is provided for sewing in a laundry chip. The fabric has been ring-spun and treated with an enzyme wash, which pre-shrinks the material and gives it a soft feeling. Oeko-Tex 100 certified.

60% ORGANIC COTTON, 40% RECYCLED POLYESTER, 180 G/M<sup>2</sup>

# Printer RED

## Printer Red

Printer Red is our active collection, designed for movement and versatility. Featuring sporty polyester and a wide range of spun-dyed garments— A wide range of sizes—this collection combines functionality with style. Competitively priced, Printer Red offers lovely colors, carefully selected materials, and well-thought-out designs, all with a focus on delivering exceptional value for money. Available in sizes XS–5XL, Printer Red ensures everyone can find their perfect fit.

### SpunDyed

In order to be able to offer more sustainable garments with less environmental impact, we are looking for innovations. One area where there is potential for improvement is the dyeing of fabrics. The conventional way of dyeing textiles is to first produce the textile fiber and then dip the textile in a dye bath. The process uses chemical solutions and large amounts of fresh water.

By rethinking the entire process, we get a result that is better for the environment and also delivers more distinct and clear colors. As the raw material is dyed before it is spun into yarn, the fiber becomes saturated with dye, which gives a long-lasting and clear colour. Search for the symbol above to find our garments that are Spun Dyed and meet the standard of the future already today.

Advantages of using Spun Dyed technology over traditional dyeing:

- 75%** Reduced water consumption
- 90%** Reduced use of chemicals
- 25%** Reduced energy consumption
- 30%** Reduced carbon dioxide emissions
- &** Excellent color fastness = longer lifespan = improved garment performance

**RUN** 2264023 ♂ S-5XL  
**RUN WOMAN** 2264026 ♀ XS-3XL  
**RUN** 2264029 YOUTH XS-XL

Round neck, interlock knitted Functional T-shirt, 100% polyester. The garment is dyed with a method that is more environmentally friendly and offers better color fastness.
