Snapshot of Services

Current/Renewal Analysis

We will support you with current/renewal analysis confirming competitiveness in the marketplace using benchmarking tools. We will also approach alternative funding options for potential cost-saving opportunities.

Contribution Strategies

We will provide proactive and compliance management with respect to ACA requirements, Cobra, updated ERISA Wrap Document, HIPAA Notices, Benefits Notices, and Annual 5500 Filings if applicable.

Open Enrollment

We will conduct your online and/or face-to-face Open Enrollment Meetings (as many as needed including different time zones) with PowerPoint presentation and interactive Q & A.

Employee Training

All your employee training such as Sexual Harassment, Safety, etc., can also be provided through our Zywave portal at no additional cost. We understand based on need, this can be pricey at some point.

ACA Requirements

We will provide proactive and compliance management with respect to ACA requirements, Cobra, updated ERISA Wrap Document, HIPAA Notices, Benefits Notices, and Annual 5500 Filings if applicable.

HR Department

We also act as an extension of your HR Dept. with our experienced Sr. AE being your contact for any HR questions or concerns allowing you to get a second opinion.
