**How to acquire pins:**

Candidates will receive their first set of 20 pins on April 2, 2021. Each candidate and parent will sign a form stating how many pins they received that day. This is to keep track of how many pins each candidate has received. To acquire additional pins please call or text Sarah Maske (785-483-9393) to set up a time to sign-out more pins. Candidates are responsible for the pins they sign out. Money returned to Mrs. Maske must correlate with the number of pins sold. (For example: If a candidate signs out a total of 60 pins, they must return \$300.00, if all pins are sold OR if only 50 pins are sold, the candidate will return \$250.00 and the remaining 10 pins). Any pins not accounted for will be the financial responsibility of the candidate and guardian.

**Requirement when selling:**

Only candidates can sell the pins. No parents/guardian, family members, etc. can sell, only the candidate. All candidates must wear their "period clothing" when selling pins. Candidates are not allowed to sell pins in everyday, casual clothing.

**Responsibility:**

Candidate must be willing to participate in the Praiesta's Fashion Review and Promenades to help promote the 2021 Praiesta. In addition, the Miss Prairie Girl and Cowpoke will be required to reign over the Praiesta 2021 events as deemed necessary and ride in the parade. Please note, this is an investment by not only the candidate but by a parent/guardian as one parent/guardian will be required to accompany the Miss Prairie Girl and Cowpoke to all activities.

The Praiesta Fashion Review is Sunday April 25, 2021, @ 2:00 p.m. at the Dream Theater. All candidates will be introduced to the public. After introductions, candidates will have an opportunity to pick up additional pins if needed. Promenades will be held at various places and towns. Dates and events will be posted online @praiesta2021.com.

Please call if you have any questions,

Sincerely,

Sarah Maske
