# Additional Details

## How does it work?

- 1) If you have a area that doesn't bring you joy, is not functional, or needs some revamping then you have come to the right place! We will arrange a day to visit your home. This initial free consultation is to view the troubled areas and come up with a game plan together. We take in to account your family members, your needs, your vision and anything else you envisioned for the area.
- 2) After the home visit & consultation you will pick a package. We will then send you a customized vision board based what was discussed on the home consultation.
- 3) Then finally, a invoice with clear costs and expectations (nothing is hidden here) is sent to you, with the deposit information. We require a 50% deposit before booking your big day in.

## Organizing Date

- Everything will be pre planned upon arrival to your home!
- Flexible days/hours - we will work with your families schedule for the big day!

## Billing Options

Deposits can be e-transferred to [walkershousekeepinghome@gmail.com](mailto:walkershousekeepinghome@gmail.com), or paid by credit card via link on your invoice. Once the deposit is received, you will receive a booking confirmation for the big day!

The balance for the service provided will be emailed within 24 hours after the job is complete and you are completely satisfied!
