

CAPABILITY STATEMENT

WHO WE ARE

At Mission Applied, we specialize in providing emergency & medical supplies, operational support, facilities infrastructure, engineering, and technology solutions to government agencies and businesses. Our deep industry expertise ensures that we address the unique needs of each client, driving impactful results.

DIFFERENTIATORS

Mission Applied Services stands apart as a uniquely qualified partner, led by two retired Marine Corps officers who also bring executive experience from Wall Street and Big Four consulting. As an SBA-certified 8(a), EDWOSB, SDVOSB, & CA DVBE, the company combines elite leadership to deliver results across government and commercial sectors.
