

Empower Our Teens: Become an Our Whole Lives Facilitator

In a rapidly changing world, the need for comprehensive sexual education has never been more crucial – especially for our young teens. Are you ready to step up and make a significant impact on the lives of the next generation? Train as a LIAC Our Whole Lives (OWL) facilitator and guide our youth in their journey of self-discovery, acceptance, and comprehensive sexual education that aligns with Unitarian Universalist principles.

Champion Comprehensive Sexual Education: Be a Leader

- **Knowledge is Power:** As an OWL facilitator, you will play a vital role in providing young minds with accurate, age-appropriate, and inclusive information about sexuality, relationships, consent, and more. This will empower them with knowledge that can guide them towards healthy decisions and responsible behavior.
- **Promote Positive Relationships:** By facilitating OWL, you will help young teens understand the nuances of healthy relationships, communication, and consent, fostering an environment where open dialogue is encouraged, and questions are met with respect and understanding.
- **Address Myths and Misinformation:** In a world filled with misconceptions, you will be a source of clarity by addressing myths and providing accurate information, enabling teens to make informed choices and challenge harmful narratives.
- **Create a Safe Space:** Your role as an OWL facilitator is more than just education; it's about creating a safe and inclusive space for teens to explore their feelings, thoughts, and concerns. You will be a reassuring presence in their journey of self-discovery.
- **Inspire Positive Change:** By joining the OWL facilitation team, you will be contributing to a future where young people have the tools to navigate their evolving identities, relationships, and understanding of their bodies. Your influence will ripple out into a more compassionate and informed society.
- **No Previous Experience Required:** Whether you're an educator, parent, or someone passionate about empowering our youth, you have a place on our OWL facilitation team. Comprehensive training is provided to ensure you're ready for this transformative role.
