### USGVC MISSION

The U.S. Global Value Chain (USGVC) Coalition is on a mission to educate policymakers and the public about the American jobs and the domestic economic growth our companies generate through their value chains.

We advocate, educate, conduct research, and engage on policies that support American workers and their families through U.S. global value chains.

With ISO 9001:2008 certification, vertically integrated production in its 210,000 sq. ft. state-of-the-art New Jersey headquarters and a global network of 38 operation centers; **PRECISION CUSTOM COATINGS'** product solutions can seamlessly integrate into any product construction strategy.
