

# THE "SCOOP" AND SCORE

WELCOME EDITION

NOVEMBER & DECEMBER

## Welcome!

Each month, we strive to advance the mission of **Greater Good Lacrosse**. Our players, parents, and coaches are creating positive changes both on and off the field, and we're excited to share our progress with you. Enjoy this update and feel free to pass it along to a friend.

*Thank you!*

## Champions! 🎉

Huge shoutout to our 2032 Warriors lacrosse team for nailing a flawless 14-0 record during the 2024 Spring season! The team was showered with cheers at the Parade of Champions during the Colorado Mammoth Season Home Opener on November 29th at Ball Arena. Here's to crushing it in the 2025 Spring Season! Go get 'em boys! 🏆👊

It isn't live...but it's still fun to watch! [See it HERE.](#)

## MAKE IT COUNT!

Greater Good Lacrosse is excited to announce its inaugural fundraiser clinic on December 29th and 31st! Led by Coach Matt Plitnick, the Varsity Head Coach at Mountain Vista High School and a two-time 5A State Champion, this clinic aims to support the fundraising goals of Greater Good Lacrosse. Participants will receive top-notch coaching from one of the nation's finest coaches, all while helping a great cause for youth players!

## A HEARTFELT THANK YOU!

As we recently celebrated Thanksgiving, we wanted to take a moment to express our sincere appreciation for Katie Kyle. For nearly a year, Katie has served as the team photographer for both the Warriors and now the Vipers lacrosse club. Her remarkable talent for capturing the beauty, excitement, and action of the game is truly impressive. We are incredibly grateful for her commitment to producing stunning images and her design contributions to the [Greater Good Lacrosse website](#). On behalf of everyone involved,

- Thank you Katie! - Check out more of her work at [www.katiekylephotography.com](http://www.katiekylephotography.com)

## COMMUNITY SERVICE SPOTLIGHT

This month, players, parents, and coaches supporting Greater Good Lacrosse are dedicated to assisting those in need of essential items that we often take for granted.

- **Clothes to Kids** provides clothing directly to students facing challenges, free of charge. We appreciate that their focus is on helping others rather than making a profit.
- **Children's Hospital** relies on donations of toys, books, stuffed animals, crafts, and other gifts throughout the year to support patients and enrich their playrooms and patient experience!
- **Backpack Society** gathers food donations for students experiencing food insecurity, collaborating with Douglas County, Littleton, and Englewood Public Schools.

**DONATE** ❤️

As a 501(c)(3) nonprofit, we are committed to making lacrosse accessible to all kids. With your support, our scholarship program levels the playing field, providing every child the opportunity to learn, play, and thrive at every stage—from early development to the most competitive levels. - Learn more at [www.greatergoodlacrosse.org](http://www.greatergoodlacrosse.org)
