

DECEMBER & JANUARY 2025

THE "SCOOP" & SCORE

What an incredible finish to 2024! In just 45 days, we celebrated some major milestones, including: achieving our 501(c)(3) status, launching two websites ([Greater Good Lacrosse](https://www.greatergoodlacrosse.org) and [Aces Lacrosse Club](https://www.aceslacrosseclub.com)), hosting over 30 players at our first-ever MAKE IT COUNT! training clinic, and organizing a remarkable donation event. These accomplishments are a testament to our shared dedication and passion.

As we kick off 2025, we're excited to continue advancing our mission with the same energy and enthusiasm. This year promises to bring even more fun, meaningful challenges, and progress in youth lacrosse initiatives. Together, we'll create lasting impacts both on the lacrosse field and in our communities for the greater good. Let's make 2025 unforgettable!

GIVING BACK *Donation Event*

Over Thanksgiving, we launched a clothes, food, and toy drive to spread a little extra holiday cheer to those in need. On December 14th, our players, parents, and coaches came together to collect over 1,000 new and gently used clothing items for Clothes to Kids of Denver, more than 200 new toys, books, and blankets for Children's Hospital, and hundreds of food items to help stock the shelves at Backpack Society. The best part? Most of the work was done by our young players, who are learning the value of sharing their blessings with others. Check out the fun time-lapse video and photos [HERE](#).

MAKE IT COUNT! *with Asher and Warren*

Kick off your 2025 Spring Lacrosse Season with an action-packed tune-up! Join us on February 23rd and March 2nd to train with two of the best players in the game—Asher Nolting (Boston Cannons) and Warren Jeffrey (Utah Archers & Colorado Mammoth). They'll lead offensive and defensive sessions, assisted by Colorado Mammoth players and guided by 2x Colorado State Champion Head Coach Matt Plitnick. This 4-hour, two-day clinic is a must for young athletes looking to elevate their skills and prep for the upcoming spring season. After the huge success of December's MAKE IT COUNT! clinic ([photos](#) and [video](#) here), parents and players are eager for more. Don't miss out — [REGISTER HERE!](#)

COMPETITIVE CLUB LACROSSE *without the high cost*

We are thrilled to announce our sponsorship of [ACES Lacrosse Club](https://www.aceslacrosseclub.com)! This new competitive lacrosse program is powered by the non-profit mission of Greater Good Lacrosse and offers merit-based and financial scholarships. The inaugural ACES team is primarily made up of the highly successful 2032 Warriors—a team that exemplifies Greater Good Lacrosse's vision of coming together, staying together, and winning together. Learn more about ACES Lacrosse Club [HERE](#). If you're a 2032 age-group player interested in joining, we invite you to attend one of the upcoming supplemental tryouts. Tryouts will be held indoors at the South Suburban Sports Dome on January 19th and 26th from 1 PM to 3 PM. There's no cost to participate, but please [REGISTER HERE!](#)

5,000 MEALS IN 50 DAYS! *Just 33 cents can change a life*

Our players, parents, and coaches are teaming up to make a difference! We're thrilled to support Denver Centre Impact through Lifeline Christian Mission, as Greater Good Lacrosse commits to packing over 5,000 meals for those in need. These meals are packed with essential nutrition and make an impact both globally and right here in our community. You can help us reach our goal! Every donation counts—just 33 cents provides one life-changing meal. Together, we can make a meaningful difference for families in need.

Learn more about Lifeline Christian Mission [HERE](#), and to support our 5,000+ meal effort, [CLICK HERE](#) to donate! Let's make this happen! *Thank you!*
