FEATURED IN THE CASTLE PINES CONNECTION

At Greater Good Lacrosse, we are deeply grateful for the players, parents, coaches, families, and supporters who bring our mission to life every day. Guided by our core principle — "For Love of the Game, Not for Profit" — we focus on creating meaningful opportunities through the sport of lacrosse. While recognition is never our goal, being featured reminds us that our collective efforts are truly making a difference.

NEW TIRES? CHANGING TIRES?

Still rolling on a good set of winter tires and need to get summer tires? Greater Good Lacrosse and Les Schwab have teamed up for a unique (and super easy) TIRE STORAGE fundraiser. We'll pick up your tires, tag 'em, baby them all season long, and return them to Les Schwab when you're ready to swap back. It's hassle-free, supports our program, and—bonus—you get top-notch service from the tire pros at Les Schwab.

BE A PART OF SOMETHING SPECIAL - 25,000+ MEALS

Earlier this year, we crushed our goal and packed over 6,000 meals for families in need through the Denver Center Mission. Our players turned it into a high-speed showdown—forming teams, racing to pack, and boxing meals like pros. In just over an hour, everything was sealed, stacked, and ready to roll. Jacob at Lifeline Christian Mission even said, "That was the fastest packing group we have ever had!" - Way to go team!

Now we're going big: 25,000+ meals by the end of summer break! Let's beat our record—and hunger. Every donation helps, and just 33 cents gives someone a meal. Ready, set, give! - [Donate to our campaign HERE!](#) - Every penny of your donation goes toward helping those in need!
