ALAYNA BURGHART

I will be graduating from Aims Community College as a home-schooled student. I plan to continue my education at Aims CC to earn an additional associate's degree in graphic design. I will also continue to work at Dance Factory. I want to thank every single one of my instructors through the years Lynn Basset, Nicole Bradfield-Haug, Gina Shepard, Kate Suiter, Jessica Arechiga, Leslie Martinez, and Lucy Ulrich as well as every assistant teacher, for inspiring me, challenging me, encouraging me and teaching me so much more than just dancing. I would also like to thank every single one of my teammates over the years. I love each one of you, and it has been an honor to dance alongside you. Dance Factory has been my second home since I was six years old, and it will always hold a special place in my heart. The biggest thank you to my dad, my brother, my grandparents, and anyone who ever came to watch or support me in person or over livestreams. It always meant the world to me. And most of all, to my mom, who was my biggest support, cheerleader, chauffeur, and my best friend, who never missed one of my performances in 12 years. I love you all so much, always & forever!

JOHNNAE ESCOBEDO

My plan after high school is to study psychology for adolescents. I graduated from University High School and danced with the Varsity Poms team for 4 years, winning 2 Runner-ups and 2 State Titles. I've danced at Dance Factory for 15 years, and my favorite styles are Jazz and Contemporary. I enjoyed getting to dance with my little sister Melo in our duet before I graduated. I want to thank my family and dance teachers for always supporting me.

ANGELINA HUNT

I have been dancing at Dance Factory for 5 years! After high school, I plan to attend UNC, majoring in nutritional sciences, and continue dancing with the Sugar Bears! I want to thank all the teachers I've had throughout the years for helping me grow into the dancer and person I am today, as well as helping me find a true passion of mine. I also want to thank my parents, Jade and Ryan, for their unwavering support and encouragement throughout my dance journey.

MAKAYLA MARTINEZ

I have been dancing at DF for 11 years! I love the Dance Factory, and I am excited to continue teaching here after high school. After high school, I plan on going to UNC to major in speech language pathology and minor in American Sign Language, as well as be on the Sugar Bears Dance Team. I want to thank all my dance teachers at DF for always pushing me to be the best dancer I can, and most importantly, I want to thank my mom and dad for supporting me throughout my entire dance journey and being my number one fans!

ANALISE ZAPATA

I graduated from University High School, and following graduation, I plan to enjoy some much-needed free time, travel a little, and start college in the fall at the University of Northern Colorado. I'd like to thank my parents for helping me become the person I am today and for always seeing the best in me. I'd also like to thank all my dance teachers for trusting me, believing in me, and for never letting me give up! You have all inspired me in different ways, and I am forever grateful for my Dance Factory family!
