

NEW THIS FALL!!
DON'T MISS OUT... LIMITED AVAILABILITY

ALC was forced to close its doors on March 15th in response to Covid-19, and the uncertainty that existed in the spring remains. We are facing the unknown again this fall. Many parents have gone back to work and are unable to provide their children with the same support they did in the spring. Therefore, for the first time in 27 years, ALC will be opening its doors at 8:00 a.m. to offer a supervised setting for students to do their online learning. The staff will monitor students, ensure they are focused, and assist with any internet glitches.

Registration for morning sessions will open in mid-August and be done entirely online. Families will receive greater details on registration, protocols, and expectations in the next week. Please be on the lookout for this email as I anticipate the 16 daily slots (2 sessions with a maximum of 8 students in each) filling very quickly.

How ALC is Creating a Safe Environment

The safety of our staff and clientele is a top priority at Achievement Learning Center. Thus, our response to the COVID-19 pandemic is to implement new, more intensive policies to protect both clients and staff, as well as to help reduce community spread of COVID-19. Below you will find our new procedures and guidelines.

What to expect upon arrival for in-person instruction:

1. ALC will be running in-person instruction at 50% capacity
2. The waiting room will be closed, so all students will be asked to wait outside near 6 ft. markers or in their cars until the start of their scheduled sessions (pick-ups will be required to wait outside under the awning)
3. Students will enter through the front door and exit through our side double-doors
4. The director or another staff member will take the temperature of both staff and students upon arrival
 1. Anyone with a temperature of 100.3 or higher will be asked to reschedule. If dropping-off your child, it is suggested to wait 5 minutes to ensure entry. Any student with a temperature who traveled alone will be asked to go home and his/her family will be notified shortly thereafter.
5. No one will be permitted inside without a mask, which must be worn at all times until departure
6. *Students will be required to bring their own calculators and pencils*
7. During instruction, students will be seated 6 ft. apart from each other with a plexiglass divider between students and staff since a 6 ft. distance is not possible
8. Restrooms will be available and sanitized hourly
9. *Snacks will no longer be provided or allowed during instructional hours*

Policies

- **Cancellations and make-up lessons:** 24-hour notice of any **cancellation** is required in order to receive a make-up session. If a cancellation is made without 24-hour notice, parents will be charged and no make-up will be given, except in cases of sudden illness or emergency. For illness, we ask for an hour's notice to avoid charges.
- **Payment:** In order for your child to be considered registered a package must be chosen and paid in full **before** the first session. A 10-day grace period will be given to those who do not have payment the day of registration. If payment is not received within 10 days of the initial registration or before the first session, whichever comes first, your child will no longer be considered registered and your preferred day(s) and time(s) will no longer be held. No refunds or credits will be given.
- **Refunds:** Refunds are given only if the child withdraws **before** the first session. There are no refunds or credits given after the first session. Package hours expire after 3 years from purchase.
- **Registration Form:** Any changes made to the initial registration form must be done before the first session in order not to get penalized. Though not recommended, parents are held accountable for registration forms filled out by the director over the phone. It is the parent's responsibility to review days and times registered for and make any necessary changes prior to the first session.
- **Reserved Sessions:** If a student misses/cancels 3 consecutive sessions, the weekly timeslot may be considered forfeited and you may be asked to schedule sessions on a weekly basis, which does not guarantee availability. ALC will make this decision at its discretion and it will take effect only after a discussion with the student and parents.
- **Attendance:** As a courtesy, ALC will not turn away students who attend sessions beyond their purchased hours. If you do not wish to pay for additional hours attended, please contact us for an update on remaining hours or refer to the registration form provided. ALC does not assume responsibility for sessions attended beyond a purchased package.

I understand and accept the above policies.
