PNC Traveling Planetarium

PNC is a strong supporter of Early Childhood Education in our community. They are bringing a portable, pop-up planetarium to our facility **Thursday, March 8th**. This event is open to preschool-aged children. **Rooms 19 and 20** will be attending the presentation in the morning. We will also play host in the afternoon to other preschool's from the city who will be busing in.

Soccer Shots Spring Session

The Spring Soccer Shots Session will begin April 10th. To get the kids excited about it, Soccer Shots is hosting a **FREE Demo Day** on **Tuesday March 27th** for all **Two-Year Old Classrooms** and **Preschool Classrooms**. The demo will run 10-15 minutes for each classroom. Make sure to send your children in gym shoes that day!

Scholastic Easter Orders

We will be placing a special Scholastic order for Easter books/gifts. If you would like to order items for Easter, please have them in **by Friday, April 16**.

Background will be **spring themed** with neutral colors.

We will have an option available if you would like **digital images** by Easter!
