Trunk-or-Treat

We are accepting candy and snack donations to pass out for Trunk-or-Treat!

If you know of a business who would be interested in sponsoring a truck, please talk to Brad.

Breast Milk

Just a reminder that per state regulations, unfrozen breast milk must be used within 48 hours.

Diaper Bags

Reminder: Only bags containing nap and spare clothes items are allowed in the classroom. We will store all other bags in a separate room for the safety of the children.

FOELLINGER

F O U N D A T I O N

We are without words to describe how grateful we are to the Foellinger Foundation for their continued belief and support in our program. Thanks to a \$32,691 grant, we are going to be able to accomplish so many goals! We are going to have the ability to provide each teacher with a tablet in order to communicate with parents, record observations, take pictures, and complete all their daily tasks with ease and efficiency. We will also be able to replace some much loved furniture and equipment in every classroom. Part of the funding will also go towards new curriculum materials for every classroom as well. These materials will increase our classroom lesson plans and activities. These projects will continue our mission to provide you with the best possible quality early childhood care and education. With Foellinger's help, our dreams of program improvements have been made realities!
