TLC Parents,

In December, it's become our tradition to give a gift card to each teacher and staff member to show our appreciation.

We are collecting \$10 gift cards (intending to give each person \$10) or monetary donations so we may buy the gift cards.

There are a few gift cards we know staff love as you consider what to bring: **Starbucks, Target, Walmart, Meijer, Kohls, Fast Food, Restaurants, Panera, Casa, Chipotle, etc.**

Feel free to show appreciation another way, but we welcome your help in providing gift cards! Watch future emails for other December appreciation information and ways you can participate.

Some parents consider holiday thank you gifts separate from staff appreciation; if you want ideas through the year of items your teachers and assistants enjoy, we have a page on file of "likes" - just ask at the front desk!

Thank you,
The Staff Appreciation Committee
