

# KRAUSS STRENGTH SYSTEMS

*BUILT FOR STRENGTH, FORGED FOR YOU*

Founded in 2024 by Ryan Krauss, Krauss Strength Systems brings nearly two decades of custom metal fabrication experience to the world of Strongman. Every implement is handcrafted with precision, performance, and durability in mind—built to meet the demands of serious athletes and training facilities. Whether you're training at home or outfitting a commercial gym, Krauss Strength Systems delivers top-tier customized equipment designed to push limits and elevate your strength.
