

**WCA Bull Test Directions**  
**Health papers, Haul slips**  
**Beus Feedlot: 502 E Vineyard Lane, Pasco, WA 99301**

Above is the official address for Beus Feedlot for out of state consignors to use on the Health papers and Washington consignors to use on their haul slips. We **must** collect these documents at the time of delivery at Beus Feedlot. It is part of the Brand Inspection process and we are in violation of WA State law if we do not comply.

**You cannot unload unless you have the proper papers.**

**You must stay with your bulls until they have been officially weighed and entered into the test.**

Pasco to Beus Feedlot (10.3 miles)

- From Pasco go north 10.3 miles to Vineyard Dr. turn right (east). There is a Shell gas station on the corner.
- Go approximately 1 mile east to where Vineyard curves to the left.
- On that curve, turn right onto a narrow unimproved dirt road. Watch for WBA Bull Test sign.
- When the road forms a Y stay right.

Eltopia to Beus Feedlot (11 miles)

- Go south on Hwy 395 11 miles to Vineyard Dr. Turn left (east). There is a turn lane for the left-hand turn. There is a Shell gas station on the corner.
- Go approximately 1 mile east to where Vineyard curves to the left.
- On that curve, turn right onto a narrow unimproved dirt road. Watch for WBA Bull Test sign.
- When the road forms a Y stay right.

Google maps have good visual directions to get you onto Vineyard Drive.

The feedlot road is very narrow. You are in farm country. Big trucks have the right of way. Drive slowly (10 mph). **Yield to all trucks and farm machinery.**

The feedlot road can get congested quickly. Do not block roads or entrances. There isn't room for trucks if we park on the road, so we will direct you to a stack yard if you have to wait to unload.
