Reminder: H.G. Wells Wrote an 'Open Conspiracy' for the Committee of 300 that Perfectly Outlined the New World Order

ALL THE RESOURCES, POWER, MONEY

There will be no middle class, only rulers and servants. All laws will be uniform under a legal system of world courts practicing the same unified code of laws, backed up by a One World Government police force and a One World unified military to enforce laws in all former countries where no national boundaries shall exist. The system will be on the basis of a welfare state; those who are obedient and subservient to the One World Government will be rewarded with the means to live; those who are rebellious will simply be starved to death or be declared outlaws, thus a target for anyone who wishes to kill them. Privately owned firearms or weapons of any kind will be prohibited.

AND MANY POWER AND STILL YOU CAN'T
FIND ANYONE WHO CAN PROVIDE YOU
WITH THIS VERY REAL COLLECTION OF
EVIDENCE???
