## Fall and Thanksgiving

The month of November, we will be learning all about the season of Fall and we will touch upon Thanksgiving. Learning about things we are thankful for and the many different ways that families may celebrate. We will be making some props for the program in the MWF classes—so items may not come home each day. We will meet more new friends from Zoo phonics and practice more cutting and small motor skills.

November will definitely be jacket weather. We encourage all children to put on their own coats, using the "Flip-a-do" method. They may show this to you. Ask if you would like a demonstration. We are also encouraging zipper and button practice in preparation for Kindergarten.

**THANK YOU** to all of you who helped out by donating items for our Halloween parties! The children had a wonderful celebration. Many, many thanks!!

## MWF Thanksgiving Programs

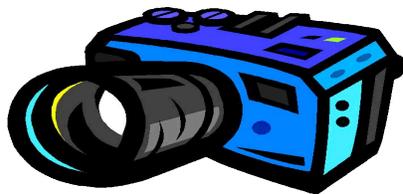

The Monday, Wednesday, Friday classes will present a short Thanksgiving Program on Monday November 21. We are hopeful that parents are going to be able to come to school to watch the program—look for more information on this soon. The program will be at **10:45** for the am class and

at **2:15** for the pm class. Please mark your calendars and plan to attend that day for a brief presentation and a few songs. This is good practice for our Spring graduation.

## Late Fees

We have been very lenient with late fees, but going forward they will be added to your account. Please refer to your Parent Handbook—if you are not in the car line by the time the last car exits, you will be charged \$1 per minute as a late fee. Thank you for your understanding.

## School Pictures

Picture packages should arrive sometime this month. Class composites take much longer to proof and make sure they are done correctly. They usually arrive after the first of the year. We will keep you posted!

## Thanksgiving Break

There is NO SCHOOL, Wednesday November 23— Friday November 25 to observe the Thanksgiving Holiday. We wish all families a blessed Thanksgiving! May you enjoy time with your loved ones and contemplate the many blessings in your life! See you back at school on Monday, November 28th.

*Happy Thanksgiving!  
To You And Your Family*

## Jubilee Christmas

Each year, Grace UMC partners with Lafayette Urban Ministry (LUM) to provide Christmas toys and clothes for children in need in the Lafayette area, who might otherwise not have Christmas. If you and your child would like to provide a toy for a boy or girl, watch for the tree of ornaments to be located near the carline. Select an ornament, purchase the item and return it unwrapped with the ornament attached. They would like all items to be brought in by Wednesday, December 7th. What a great way to help our children learn about giving at Christmas!
