4. Entries will be made according to classification.
5. Premiums as listed, may be given for meritorious exhibits.

IN CASES WHERE THERE IS ONLY ONE EXHIBITOR, JUDGES MAY GIVE AN AWARD SUCH AS THEY DEEM EXHIBIT IS WORTHY TO RECEIVE.

Same rule applies where there are fewer entries in any class than the number of premiums offered. The judges may, at their discretion, award a prize or prizes of such grade as the exhibitor deserves.

The fair reserves the right to determine how many entries they will accept from any exhibitor in the same class.

The decision of the judges shall be final in all cases, except where mistakes, fraud, misrepresentation or collusion, not discovered at the time of award, is proved. In such cases, the Superintendent," Manager or Secretary of the fair or show, or such referee as he may appoint, may make the decision with his approval. The case may be appealed to the Fair Management from whose decision there can be no appeal.

6. It shall be the responsibility of the exhibitor to make known the proper name of the article he is entering. 10. Where award ribbons are stolen or destroyed, the exhibitor may receive a duplicate at the close of the fair or show, which shall be supplied by the fair free of charge.
11. During the judging, buildings are to be closed to everyone except for officials, judges and necessary attendants. Any exhibitor interfering with the judges while making awards shall forfeit any premium to which he would otherwise be entitled.
12. If earned premiums exceed total budget the Fair Association reserves the right to pro-rate the difference between the winners.
