

The Kansas Quarter Horse Association is the official state affiliate of the American Quarter Horse Association. At the present time, we provide a college scholarship program for our youth, annual awards program for AQHA approved shows—youth, amateur and open competitors—a hall of fame for outstanding members and their horses, as well as additional events. In addition, we sponsor the Let It Ride QHS, the Celebrating Kansas QHS, the Kansas State Fair AQHA show, the Hope in the Heartland QHS, and the Prairie Classic QHS, judging team and leadership opportunities for youth at the AQHYA youth world and equestrians with disabilities competition at our KQHA managed events.
