TIME	General Sessions	Presenter	Location	Session Description
8:00 am - 5:00 pm	Conference Registration	*All Attendees*	Dunsmore	
8:00 am - 9:00 am	Breakfast	*All Attendees*	Glendale 1-4	
9:00 am -9:45 am	Testimony: Anticipating the Tough Questions	Michele Triplett Forensic Operations/Quality Manager King County Regional AFIS	Brand Ballroom (Glendale 5-8)	Working in a particular discipline for decades sounds impressive. Does length of service establish competence to perform a scientific analysis? Working for an accredited lab sounds equally impressive; are the results of the last audit known and available to others? What are the parameters for a specific conclusion? Is this stated in the Standard Operating Procedures? Is it possible for another expert to arrive at a different conclusion? This presentation will discuss potential answers to the most challenging court questions. *(Headshot received)*
9:45 am - 10:30 am	NEC Digital Government: New Tools to Unlock Identity Intelligence	*Gary Lac* *NEC Vice President Solutions Development*	Brand Ballroom (Glendale 5-8)	Join Gary Lac, NEC Vice President of Solutions Development, as he shares new products, major features and future product vision.
