

OUR HISTORY

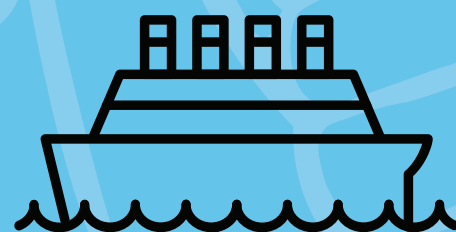

Wrexham Lager is a multi-award winning, producer of high-quality lager beer made with the finest carefully selected ingredients, using a unique original recipe that is over 140 years old and brewed with the very best modern Bavarian equipment, Wrexham Lager boasts to being the oldest lager brewery in the UK.

1882

BREWED SINCE 1882

In 1882, two German Immigrants, Ivan Levinstein and Otto Isler, set forth to brew lager beer in the UK. Levinstein and Isler sought to engineer a brewery based on traditional Bavarian method.

1900's

WREXHAM LAGER SETS SAIL

Wrexham Lager lays claim to being the first lager imported to far off countries, including India, South Africa, the Americas and Australia and was the only lager available on the infamous voyage of the **White Star Line's Titanic**.

THE FUTURE IS WREXHAM LAGER

With a reinvigorated brewery under the Robinson family, Wrexham lager today is thriving; producing high-quality lager with ambitions to once again export to across the globe.
