1200 GREENBRIAR DRIVE . NORMAL, IL 309.218.1616

TRUE EVEL

True Evel American Blonde Ale is inspired by Evel Knievel's famous stunts and his roots in Big Sky Country. This beer ramps up from a crisp, malty base contributed by both Briess & Montana Craft Malts and then lands with low hop notes and a hint of sweetness, delivering a Blue-Ribbon flavor profile reminiscent of Knievel's audacious feats. Cheers!
