WILD PACK™

VARIETY PACK

DRAGONFRUIT MANGO FRUITED SOUR ALE - ABV 6%

Enjoy our sour ale bursting with tart fruit flavors and aromas of dragonfruit & mango. Delight in the brilliant fuschia color and vibrant taste that delivers a bold experience with each sip.

HERE GOSE NOTHIN' GOSE ALE - ABV 5.2%

We threw caution to the wind with our interpretation of a Leipzig-style Gose, featuring complex aromas and acidic flavors contributed by indigenous wild yeast & lactic fermentation. Lemon, lime and other citrus-like qualities are balanced by the spicy character of coriander and a mineral mouthfeel from French sea salt, resulting in a refreshing beer that was worth the risk.

COUNTER CLOCKWEISSE BERLINER-STYLE WEISSE - ABV 4.2%

As our original Wild Sour beer first brewed in 2013, it was affectionately named for 'reverse engineering' our souring process in part from the dregs of our sour barrels to create the Wild Sour Series culture that exists to this day. This Berliner-style Weisse Beer is our interpretation of a traditional German-style sour wheat ale that's pale, light-bodied, low-hopped, highly attenuated and pleasantly lemony-tart.
