

Consequences for Computer and Internet use Infractions

- **If computer is broken and it is determined that it is due to negligence or misconduct of the student, the FULL replacement cost to replace it will be accessed****
- First violation of one item on either agreement will result in loss of school day and a parent/guardian conference with principal/teacher
- Second violation of one item on either agreement will result in loss of privilege for two days and a 1 day in school suspension.
- The result of subsequent violations of one on either agreement will be the discretion of the principal and administration of the academy and might include suspension and or expulsion.

If a student is enrolled in a course in which computer use is essential to accomplishing the required work, the student must arrange to complete the work outside of school.

Agreement and application for computer and internet access New Beginnings Baptist Academy.

Student Contract: I have read and understand this policy for computer use and internet access. Student agrees to abide by the stated guidelines. By signing this form, I further understand any violation of these regulations could result in access privileges being denied. I also understand that if I mishandle or break the computer I have been assigned I will be responsible to pay the full replacement fee.
