Monte del Diablo

Known as **Mount Diablo** today, this sacred mountain was revered as the “Birthplace of the World” by the Bay Miwok and Ohlone tribes that called the San Ramon Valley home for thousands of years.

Mount Diablo can be seen from almost every location in San Ramon, and on a clear day you can see almost 200 miles from its 3,849’ summit. That means that Lassen Peak, the Yosemite Valley, the Napa Valley and the Golden Gate Bridge are all within “binocular range.”
