

RJC Readiness Checklist

Is Your Jewelry Business Ready for RJC Certification?

- ☐ We have a clear company policy on responsible business practices
- ☐ Our supply chain is traceable and risk-assessed
- ☐ We follow due diligence on sourcing diamonds and gold
- ☐ Environmental and labor practices are documented and compliant
- ☐ We conduct regular internal reviews of ethical practices
- ☐ All employees are trained on RJC standards and Code of Practices
- ☐ We maintain records for compliance, audits, and reporting
- ☐ A senior manager is responsible for RJC implementation
- ☐ We have performed a gap analysis against RJC requirements
- ☐ We are prepared for the RJC certification audit process
