

This pattern was created in collaboration with Zarah of Z-Dot Designs.

Please note this pattern is for personal use only.

Using patterns is a wonderful way to relax and just enjoy the process or for beginners to develop their skills. Zarah has an abundance of patterns available for canvas, stones, tea light holders etc. I highly recommend a visit to her Etsy shop.

For this design we are using

This pattern was created for beginners, new to the world of dotting, who would like to practice their skills but perhaps don't know where to start in creating their own mandala. This will take the guess work out as you follow along step by step.

- Happy Dotting Company 16 piece dotting tool sets
- 5' x 5' Black card stock
- Happy Dotting company 8 segment stencil
- Generals White chalk pencil

Preparing your surface

TOP DOTS - - Using the 4.5 mm tool, place Medium Purple top dots in the centre of the outer Pale Purple double dots.

CONGRATULATIONS - YOU'RE DONE

Most patterns can be adapted to be used on alternative size canvas and art stones. Inspiration can be taken from the design and color palette for tea light holders, plant pots, water bottles – anything that remains still is fair game! Below image is this pattern on an Art Stone from our Mold #2.
