WHY DEALERS LOVE LYNX POS

Choosing a point of sale (POS) software & HARDWARE partner is a **BIG DEAL.**

You want to work with a company that has a solid reputation in the payment industry. We have over 25 years serving merchants & agents.

A partner that has shown dedication to developing reliable, state of the art products & are invested in **YOUR SUCCESS**.

Those are the reasons POS Resellers around the world offer their merchants **LYNX POS** as the preferred hybrid POS software & system solution.

Tablet based POS Software that meets all the needs of the retail & restaurant verticals.

When you resell **LYNX POS** you are offering merchants the most superior system available, using the latest in (AI) Artificial Intelligence wrapped up into a visually stunning & highly effective platform. **Some features include**:

- Built for iOS
- Windows 11 - PCI Compliant
- Easy Integration
- Offline Mode
- Secure Transactions
- Payroll
- Business Reporting
- Gift Cards & Loyalty Programs
- Inventory Control Management
- Virtual Back Office & Reporting

24/7 World-class support to your merchants.
