

H.R.4617 The SHIELD Act

**To amend The Federal Election Campaign Act of 1971
Stopping Harmful Interference in Elections for a Lasting Democracy Act or
The SHIELD Act passed 10/23/2019**

Specifically, a political committee must report certain foreign contacts involving an offer of unlawful election assistance to the **Federal Bureau of Investigation** and the **Federal Election Commission**. The bill establishes criminal penalties for violations of these requirements.

This bill establishes that an alien engaging in improper election interference shall be deportable and inadmissible into the United States.

Sec. 201. Clarification of prohibition on participation by foreign nationals in election-related activities.
